Case No. AP-2013-400

Certificate of Authority No. 2415 was conditionally granted to Divine Medical Transportation Incorporation on December 31, 2013, in Order No. 14,450, but the certificate has not been issued yet. By application filed February 10, 2014, applicant seeks to amend the conditional grant from unrestricted authority to restricted authority.

The restriction would confine applicant's operations to vehicles with a seating capacity of less than 16 persons, including the driver, thereby reducing from \$5 million to \$1.5 million applicant's minimum insurance obligation under Commission Regulation No. 58.

Under Regulation No. 54-08, the Executive Director may approve an application to add a seating capacity restriction to a certificate of authority. Applicant's vehicle list consists of two vehicles, each of which seat fewer than 15 persons. Accordingly, the application shall be approved.

THEREFORE, IT IS ORDERED:

That upon applicant's timely compliance with the requirements of Order No. 14,450, Certificate of Authority No. 2415 shall be issued with a 15-person seating capacity restriction to Divine Medical Transportation Incorporation, 8014 Sandy Spring Road, Laurel, MD 20707-3552.
